

# Visitation Policy

## Phoebe North Campus

### Inpatient Visitation Guidelines:

- **Visiting Hours: Limited by unit.** After Hours Visitation must be pre-approved by departmental staff or physician. Once approval is received, staff will provide additional access information.
- A designated caregiver may stay overnight in the patient's room. In addition to the designated caregiver, four visitors will be allowed for a total of five at a time in a patient's room.
- All visitors must check in at an information desk for a guest pass specific to patient being visited. Guest passes should be visible at all times.
- Children must be accompanied by an adult and cannot be left unattended while at the hospital.
- Visitors with symptoms of a cold, flu, or other contagious illness are asked to refrain from visiting patients.
- Shirts and shoes are required. Any visitor wearing clothing that is deemed inappropriate will be asked to leave.
- Hand sanitizer stations are placed throughout the facility for visitors.
- Visitors may access cafeteria and concession areas, but otherwise should remain in the patient's room while they are visiting.
