Part X - FIN 48 Footnote

Phoebe Putney Health System, Inc., Phoebe Putney Memorial Hospital, Inc., Phoebe Worth Medical Center, Inc., Phoebe Sumter Medical Center, Inc., Phoebe Physician Group, Inc., and Phoebe Foundation, Inc. are not-for-profit corporations that have been recognized as tax-exempt pursuant to Section 501(c)(3) of the Internal Revenue Code. Phoebe Putney Indemnity, LLC is not subject to federal income taxes due to its organization as a single member LLC. Phoebe Putney Health Ventures, Inc. is a for-profit entity. With respect to its for-profit entity as well as any unrelated business income generated through the tax exempt entities, the Corporation accounts for income taxes using the asset and liability method. Under this method, deferred income tax assets and liabilities are recognized for future income tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective income tax bases, and operating loss and income tax credit

Part XIII Supplemental Information (continued)

carryforwards. Deferred income tax assets or liabilities are measured using enacted rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred income tax assets and liabilities of a change in rates is recognized in income in the period in which the enactment date occurs. The Corporation is required to establish a valuation allowance for any portion of the deferred tax assets that management believes will not be realized.

The accounting policies prescribe when to recognize and how to measure the financial statement effects of income tax positions taken or expected to be taken on its income tax returns. These rules require management to evaluate the likelihood that, upon examination by the relevant taxing jurisdictions, those income tax positions would be sustained. Based on that evaluation, the Corporation only recognizes the maximum benefit of each income tax position that is more than 50% likely of being sustained. To the extent that all or a portion of the benefits of an income tax position are not recognized, a liability would be recognized for the unrecognized benefits, along with any interest and penalties that would result from disallowance of the position. Should any such penalties and interest be incurred, they would be recognized as operating expenses.

Based on the results of management's evaluation, no liability is recognized in the accompanying balance sheet for unrecognized income tax positions.

Further, no interest or penalties have been accrued or charged to expense as of July 31, 2015 and 2014 or for the years then ended. The Corporation's tax returns are subject to possible examination by the taxing authorities. For federal income tax purposes, the tax returns essentially remain open for possible examination for a period of three years after the

Form 990 - Additional Information

Service to the Community

Phoebe Putney Health System, Inc. (PPHS) is a not-for-profit health care organization that was formed to serve as the parent organization of a group of affiliated entities and as such, its primary purpose is to plan, coordinate, and direct the group and to provide centralized administrative and management services to the exempt entities in the group. PPHS is recognized as exempt under section 501(c)(3) of the Code and is classified as a public charity under section 509(a)(3) of the Code.

Currently, the affiliated entities comprising the group include: Phoebe Putney Memorial Hospital, Inc. (PPMH), Phoebe Foundation, Inc (Foundation), Phoebe Putney Health Ventures, Inc. (Health Ventures), Phoebe Physician Group (PPG), Phoebe Putney Indemnity (PPI), Phoebe Sumter Medical Center (PSMC), Phoebe Worth Medical Center (PWMC), Phoebe Dorminy Medical Center (PDMC) and South Georgia Shared Services (SGSS).

As a tax exempt organization, PPHS has no stockholders or owners. All revenue after expenses is reinvested in PPHS' mission to care for the citizens of the communities served by PPHS and its affiliated entities and includes clinical care, health programs, state-of-the-art technology and facilities, research and teaching and training of medical professionals to meet current and future needs.

PPHS operates as a charitable organization consistent with the requirements of Internal Revenue Code Section 501(C)(3) and the community benefit standard of IRS Revenue Ruling 69-545. PPHS takes seriously its responsibility as the community's safety net hospital and has a strong

record of meeting and exceeding the charitable care and the organizational and operational standards required for federal tax-exempt status. PPHS demonstrates a continued and expanding commitment to meeting its mission by providing community benefits. A community benefit is a planned, managed, organized, and measured approach to meeting identified community health needs, requiring a partnership between the healthcare organization and the community to benefit residents through programs and services that improve health status and quality of life.

Through its affiliated group of hospitals, PPHS improves the health and wellbeing of Southwest Georgia through clinical services, education, research and partnerships that build health capacity in the community. Each hospital provides community benefits for every citizen in its service area as well as for the medically underserved. The hospitals conduct community needs assessments and pay close attention to the needs of low income and other vulnerable persons and the community at large. The entities often work with community groups to identify needs, strengthen existing community programs and plan newly needed services. In addition to providing free and discounted services to people who are uninsured and underinsured, PPHS provides a wide-ranging array of community benefit services designed to improve community and individual health and to increase access to health care. PPMH's excellence in community benefit programs was recognized by the prestigious Foster McGaw Prize awarded to the hospital in 2003 for its broad-based outreach in building collaboratives that make measurable improvements in health status, expand access to care and build community capacity, so that patients receive care closest to their own neighborhoods. Drawing on a dynamic and flexible structure, the community benefit programs are designed to respond to

Provision for Bad Debts - Dorminy

PPHS entered into an agreement with the Hospital Authority of Ben Hill County D/B/A Dorminy Medical Center (Dorminy) to provide management services originating August 1, 2011. This agreement was terminated on May 31, 2014. Under the management agreement, PPHS provided personnel and management services in excess of \$21,157,000, as well as loan advances of approximately \$2,444,000, of which substantially all remain outstanding at July 31, 2015. At the termination of the management agreement, payment of the outstanding balances was requested by PPHS. Dorminy has contested the repayment of the amounts due to PPHS. PPHS intends to pursue collection of the outstanding balance. Due to the opposition to repayment by Dorminy and concerns about the financial viability of small rural hospitals, a provision has been recorded in the 2015 and 2014 financial statements.
