

Colorectal cancer can be deadly.
Get screened.

Phoebe Family Colorectal Screening Program

Phoebe is striving to reach the national benchmark of 80% of the eligible population to be screened. A screening program targeting Phoebe employees began January 2018.

Year*	% in compliance (% of eligible employees who were screened)
2018	60.13
2017	48.85
2016	51.61

} 23% ↑

* Measured by benefits year from August - July
